Feedback Analysis by IQAC (2019-20)

Analysis of Feedback by Student on Curriculum (2019-20)

Introduction

MSPM's DITMS values the feedback of the students. The institute looks forward to and is interested in understanding the perception of the students about the curriculum of their learning. We have taken the feedback from Third year students of BBA, BCA, BCS (VI semester program) who have completed the program of graduation. The perception of the curriculum is analysed in terms of design, delivery, effectiveness and advanced content and industry readiness.

Only 71 responses have been received for the academic year 2019-20

Interpretation:

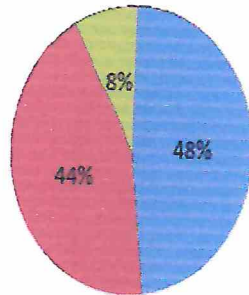

- The analysis of the feedback suggest that the curriculum fulfils the **objective of learning**
- The curriculum is **relevant** in the present context.
- The curriculum is **revised and modified in 2018** and therefore the students are satisfied.
- 38% of the students are of the opinion that the curriculum is **supportive for internship** and student exchange and field visits. Whereas 28% of the students feel that the curriculum is **average** in its support.
- 39% of the students are of the opinion that there is proper weightage for practicals in the curriculum. Whereas the perception of 24% of students(18%+6%) suggest the weightage as **average**.
- The majority of the students expressed the usefulness of the subjects for **higher studies positively**.
- The majority of students expressed their contentment about the **skills imparted** for helping them to be **industry ready**.
- The overall rating is positive for academic development.

Analysis of Feedback by Employer on Curriculum (2019-20)

Interpretation

The majority of the Employers are satisfied with the process of Curriculum design and development. They are of the opinion that the curriculum is effective in developing digital skills but the communication skills need to be incorporated in the curriculum. There is a need to enhance the skill by introducing a separate course in for new Technology.
